

# **Water Scarcity Group**

## **Wednesday 24 April 14:00 – 16:00**

### **1. Chair's introduction**

The chair welcomed the group and asked members to agree the proposed Terms of Reference.

### **2. DLUHC (now MHCLG) workstream update**

DLUHC provided an update on the proposed approach to achieve water savings in the Cambridge area, including the retrofitting programme and a water credits scheme.

#### **Action**

- Arrange future meetings of the WSG and share proposed agendas in advance.
- WSG members to share further comments or questions on the updated Terms of Reference.

### **3. Outputs from WRE's work on long-term demand scenarios**

- Water Resources East (WRE) presented an overview of their report looking at long-term demand scenarios.
